R&D FACILITY

PERFORMANCE ASSURANCE AT HUMIDIN

In a time when the country is facing shortages and limitations in research and development across various industrial sectors, HUMIDIN is committed to setting a new standard.and we are the first Indian company to establish a state-of-the-art R&D laboratory that meets international standards right here in India.

At HUMIDIN, product testing and qualification are fundamental to our operations. Our laboratory conducts comprehensive testing to ensure that all designs meet the highest quality and performance standards, with a primary focus on customer satisfaction.

In addition to these performance assessments, HUMIDIN products undergo extensive structural testing using advanced mechanical simulation software before production. All critical components, such as fans, belts, pulleys, bearings, and motors, are subjected to thorough testing.

These meticulous testing protocols ensure that HUMIDIN products are reliable, efficient, and perform consistently in real-world applications.

- Air performance testing
- Product development prototyping & training
- Static Pressure testing
- Overspeed testing
- Computational Fluid dynamics (CFD)
- Wheel balancing

Note: The make/brand of the common material/item of work specified in one subhead shall be implied for other subheads, if any.

1. Specification/brands names of materials to be used as per the scope of work listed here. The efforts should be made by the agency to use indigenous products. The agency should also consider the availability of spares parts/components for maintenance purposes while proposing any brand/manufacturer. The materials of any other brand/manufacturer may be proposed for use by the agency in case the brands specified below are not available in the market and/or agency intends to use some other brand better than the brands mentioned in this list. The alternate brand can be used only after the approval of Engineer-in-Charge.

2. For all items, Contractors have to take approval of the make from Engineer in charge from the approved make list and decision of the Engineer In Charge shall be binding to the Contractor. If any required materials is not available in above list Engineer-in-Charge can add the make/Brand in list at any stage, decision will be final and binding on the Contractor.

List of Approved Makes for Civil Works

Acceptable makes of materials to be used in the work are enclosed. In case of non-availability of these makes, the Engineer-in-charge may allow use of alternative makes only BIS marked materials shall be used in the work. Non-BIS marked materials may be permitted by the Engineer-in-charge only when BIS marked materials are not manufactured.

Dear Sir,

With reference to ACIL Letter No-885, dated 9th May 2026, submission of TDS No-133, Propeller Fan for HVAC works, PMC has reviewed and the observations are noted below:-
ACIL has to provide the details to PMC/AAI for further review.

1. Detail Calculation of Static Pressure/ CFM.
2. Location of Fans.
3. Type Test Report.
4. There is a 2600 CFM fan, however in the catalogue dimension table 2600 CFM model not available, ACIL needs to clarify.

You are requested to inform the EPC to comply the above at the earliest.

Sub : Implementation of the E.S.I. act, 1948 and Registration of Employees of the Factories and Establishments under Section 1(3)/1(5) of the ESI Act, as amended.

Dear Sir(s),

1. It is informed that under section 1(3) of the ESI Act, 1948 is applicable to all factories covered under the Act within the area where your factory is situated.

2. It is further informed that the appropriate Government has extended the provisions of the Act to other establishments Under Section 1(5) of the Act in this area

3. Under Section 2 A of the Act such a factory/establishment is required to register itself under the Act and Chapter IV thereof casts a responsibility on the principal employer thereof to get his employees registered and pay contributions in respect of these employees covered under the Act.

4. On the basis of the particulars in respect of your factory/establishment submitted by you/ on the basis of the report of the inspection conducted by the Social Security Officer, who inspected your factory on -NA-, your factory falls within the purview of Section 2(12) of the Act with effect from 01/06/2017. In case, however, subsequent facts reveal that your factory was coverable from a date prior to the date mentioned above, you shall make yourself liable to comply with the provisions of the Act from such earlier date.

5. It is requested to take immediate steps for registration of your employees by submitting declaration forms online, payment of contribution, maintenance of records etc. from the date of coverage of your factory/establishment under the act.

6. You are also requested to submit employer's registration form (form 01) on line, as required under the provisions of sec.2-A of the ESI Act , 1948 read with regulation 10-B of the ESI(General), Regulations, 1950(only in case your Code No. is alloted as a result of Survey by a Social Security Officer of ESI Corporation).

7. For the sake of convenience your factory/establishment has been allotted code No **67000639930000604** which may kindly be used in all communications sent to this office and on all forms at the place indicated for the purpose. The Branch Office of the Corporation situated at **SAHIBABAD, Branch Office, B1,B4 First floorShyam** has been instructed to render necessary assistance to you in connection with registration of your employees. In case you find any difficulty or for any other purpose which may be necessary in connection with the Scheme you are requested to contact the Manager of the above Branch Office who will render necessary help in the matter.

8. A State wise list of ESI Dispensaries is available on our website www.esic.nic.in under the link Directories which can be downloaded. It is requested that publicity may be given about the Employees' State Insurance Dispensaries to enable your employees to choose their E.S.I. Dispensaries

9. The Corporation officials would be pleased to give all necessary and possible guidance to you in discharging your duties and obligations under the ESI Act, 1948 and I am confident of prompt and timely compliance under the provisions of the ESI Act and Regulations on your part.

10. All the Branches of State Bank of India are authorized to accept the ESI Contribution.

11. The brochures/leaflets containing benefits available under the scheme and obligation of the employer etc are available on our website www.esic.nic.in under the link Publications which may be downloaded for wide publicity for the smooth functioning of the Scheme

12. Please indicate your Code No. on all correspondences to avoid delay
